KILKENNY COLLEGE,
CASTLECOMER ROAD,
KILKENNY.

02-12-2016

Dear Parent/Guardian,

I would like to take this opportunity to provide details regarding a trip to Belfast for all TY students. We believe the trip will be of Historical and Cultural benefit to the students while giving them time to explore Belfast and the Lagan river.

It is a day trip and would involve leaving Kilkenny College early and returning around 10pm. Once in Belfast the programme includes:

- A guided Bus tour of the City
- Visiting the Titanic Museum
- Water Activities provided by Bryson Lagan Watersports
- Dinner provided by City Picnic
- An opportunity to do some shopping in the City Centre

The proposed date for the trip is the 6th of April 2017 and total cost is €50 per student.

- While the itinerary has been established with the various parties in Belfast we need to confirm the numbers of students wishing to participate before the Christmas holidays.

If the student wishes to participate please:

- Fill in and return the consent form.
- Include a cheque (made out to Kilkenny College) or cash for €50 before the 16th December 2016.

This activity had been proposed a number of years ago and now, due largely to the work of Mr Clarke, is being offered to this year's TY students. We hope to bring as many students as possible and that you will give this opportunity serious consideration.

Yours sincerely,

Richard Willis

Transition Year Co-ordinator
